

Veterans Home - Chippewa Falls

12.04.2022 Veterans Home Family Updates:

Dear Family and Friends of the Veterans Home at Chippewa Falls,

Unfortunately, 2 new member COVID-19 cases since our last update. Please continue to alert nursing leadership if you are symptomatic.

Accounting for all COVID-19 recoveries, currently we have 2 active cases of COVID-19 on campus (0 team members, 2 members).

Masks are still required. They must cover your nose & mouth. Please help ensure we are doing this, so if you do happen to contract COVID, it will have less of a chance of spreading throughout the households/neighborhoods.

If you are not feeling well, please do not visit until you have taken a COVID-19 test and have fully recovered from your symptoms. If you do test positive after recently visiting the Veterans Home, please alert us so we can take proper precautions for your loved one and the other members & team members at the Veterans Home.

Please let us know if you have questions! Thank you for your commitment to the health and safety of everyone at our Home.

Sincerely,

Katie Plendl
